President Donald J. Trump
The White House
1600 Pennsylvania Avenue NW
Washington, DC 20500

Dear President Trump:

Your Administration has been firm supporter of integrity in our legal system and justice for our men and women in uniform. For this reason, I write to request your support in ordering a new trial for Major Clarence Anderson III, whose military court-martial was allegedly plagued with unlawful influence and prosecutorial misconduct.

As you may know, on April 22, 2015, Major Anderson was convicted of sexual assault and other related charges in a general court-martial trial. Since his conviction, Major Anderson has maintained his innocence and produced accounts of alleged bribery, evidence suppression, and witness tampering throughout his court-martial, military appeal, and Federal appeal.

While the Air Force Inspector General is currently conducting a review of the case, I respectfully request that you order a new trial to ensure that Major Anderson is presented with a chance to prove his innocence.

We have a shared commitment to the members of our military, and I am confident that your support would help bring about a timely conclusion to Major Anderson's efforts. If you or your staff have questions regarding this request, please do not hesitate to contact me or my Legislative Director, Joshua Bradley, at 202-225-2901.

Sincerely,

Barry Moore
U.S. Representative
Second District of Alabama
