At the das on another case. Is everything okay?

Clarence has offered to leave the Air Force and give up everything - retirement, commission, etc. I guess, if they will drop the charges. Called [REDACTED] for input but want to hear before 4 today. She would consider this seriously if he is willing to give up trying for full custody. I don't know if you talked to him about this. Do you think you can get back to me in the next hour or so so I can tell and she can call back. Thanks'

move, so maybe a sort of old fashioned agreement, alternating holidays and part of summer break and a weekend a month, Something comparable to what he has with some of the others.

██████████ wants primary custody, she would agree to every other weekend if both in Alamo, 2 weeks in summer and alternating holidays. Freedom to move. Child support per schedule and life insurance policy in case - apparently all his kids have that.

Any word yet ? They want her answer by 4 - I know I told you that... Trial set to start Monday.

We can't agree to anything at this time.

Okay - I guess the court martial will be on. Talk to you later. Thanks so much!

Sorry I just talked to him now

I know, thanks for trying. Why do people always do this stuff last minute? Have a great weekend!
